Fred and Ayn,

This the last draft peer review schedule I have...

Many of the dates on the schedule are about a month out of date. The other date ERG mentioned for the meeting was the second week in December (December 11 and 12).

Leigh, would you please send a copy of the latest schedule for the peer review to Ayn. She is especially interested in knowing about the date in December (2nd week?) when all the reviewers indicated they would be available.

Thanks,
Fred
